DETAILED ACTION

Reissue Applications

Oath/Declaration

1. The reissue oath/declaration filed with this application is defective because it fails to contain a statement that all errors which are being corrected in the reissue application up to the time of filing of the oath/declaration arose without any deceptive intention on the part of the applicant. See 37 CFR 1.175 and MPEP § 1414.
2. Claims 39-55 are rejected as being based upon a defective reissue oath under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the reissue declaration is set forth in the discussion below in this Office action.

The claims have been substantively amended since the latest filing of a supplemental reissue declaration on 1/24/05. As such, the errors corrected by the latter amendments were not covered by the original declaration. The applicant must acknowledge that these errors arose without deceptive intent. A supplemental reissue declaration acknowledging that all errors arose without deceptive intent is required. MPEP 1414.
